

# Authors' Rights & Wrongs

Programs for Carnegie Mellon faculty and grad students

Live webcast @ [www.library.cmu.edu/AuthorsRights.html](http://www.library.cmu.edu/AuthorsRights.html)

John Ockerbloom *moderator*

N. Balakrishnan

Ismail Serageldin

Michael Shamos

## **Forum on International Initiatives on Copyright**

2:30 - 4 pm

Ismail Serageldin

## **Intellectual Property Rights in the Digital Age: Reflections on Why Copyright Law Must Change**

4:30 - 6 pm

Friday, November 2

Posner Center

## 2 SPECIAL PROGRAMS

Join the audience for two programs of interest to authors, future authors, or anyone concerned about intellectual property rights.

These programs are offered in conjunction with the 3rd International Conference on the Universal Digital Library (ICUDL 2007), hosted by Carnegie Mellon University Libraries and the School of Computer Science.

Bring your questions, and expect lively and productive discussions!
