The **University of Pittsburgh School of Information Sciences** invites you to participate in the Three Minute Thesis (3MT[®]) Competition.

The 3MT is an academic competition that challenges PhD students and candidates to describe their research within three minutes to a general audience. 3MT celebrates the discoveries made by research students and encourages them to communicate the importance of their research to the broader community.

Don't miss this opportunity to practice your presentation skills and have a chance to win a research travel grant! We would like to encourage all PhD students and candidates to participate.

SIS' 3MT competition will be held during iFest 2016 at **6 pm on February 4, 2016.**

To learn more about the competition history, rules, and to gain valuable preparation tips, visit our 3MT website [<http://bit.ly/3MT2016>].
